

Getting Started

Power On

Plug in Miko Sparky and get ready to go.
Use the adapter in the box

Get Miko App

Download the Miko App from Apple App Store or Google Play Store.

Pair Them Up

Follow the steps on the Miko App to complete the setup.

Talk to Miko

Simply say hey miko and try asking "let's play", "let's talk", or "let's make a story!"

Explore Parent Zone in Miko App

Manage Parental settings, track learning progress and stay connected via video calls in the Miko App Parent Zone.

Discover premium content in Kids Zone

Access learning games and STEM shows in the Miko App Kids Zone.
